

TINY BOTS • EPISODE 1

Mixing Colors

A read-along picture book for ages 3–5

Made with love by a Nana and her grandkids, with help from the bots of Botsville USA.

Professor Tinkersby Hello there, little friends! What happens when we mix colors?

Dottle

Look! Paints, brushes, and big white paper!

Tibbo

Smocks on, so we stay clean!

Professor Tinkersby We call them the primary colors.

Dottle Red! Yellow! Blue!

Dottle Let's mix red and yellow! Orange! Red and yellow make orange!

Lullo Pemmo, would you like some of my blue paint?
Sharing feels so nice.

Pemmo

Green! Yellow and blue make the color green!

Tibbo My turn! Purple! Blue and red make purple!

Dottle

Now we have six colors! Let's paint a rainbow!

Lullo Our rainbow makes me feel so happy. Let's take a big breath... and smile!

Tibbo Tick-tock, what's next? Clean-up time!

Professor Tinkersby Red, yellow, and blue can mix to make orange, green, and purple.

Dottle Bye-bye!

Can you remember?

Point to the answer, or circle it!

Red and yellow mix to make which color?

Orange

Green

Purple

Yellow and blue mix to make which color?

Orange

Green

What do the Tiny Bots put on, so they stay clean?

Smocks

Rain boots

Answers: Orange · Green · Smocks

You did it!

Professor Tinkersby You are wonderful color mixers! Keep wondering, little friends. Goodbye!

I am a **Color Mixer!**

Name: _____

For grown-ups: Put a little washable paint, or a few drops of food coloring in water, into two cups. Let your child mix them, and ask: what color do you see?

Made with love by a Nana and her grandkids, with help from the bots of Botsville USA.
